ABOUT ME

Hi! I am Shreyash Srivastava,

Welcome to my Digital Portfolio. I am a middle school student with a dream of becoming an AI engineer. Developing interest in computer science during this pandemic, I think is one of my best decisions as it brings in many capabilities

to me. My favorite subjects are Computers, Maths and Science. In this portfolio I list some of my achievements and some of my work I have done.

ACHIEVEMENTS

Here are a list of some of my achievements:

1. I have been awarded with many medals and over 100+ certificates.
2. I have created 12-15 small games by JavaScript.
3. I have completed 6 Future Learn courses on computer science and completed a program getting a Future Learn award.
4. I have been awarded as a **"Young Certified Game Developer"**, **"Certified Android and IOS app developer"** by WhiteHat Jr.
5. I have completed 6 lessons on Applied Digital Skills by Google for Education.
6. I have earned a Artificial Intelligence trial class certification by Camp K12.
7. I have completed a workshop held by INN Stem Lab on **"APP DEVELOPMENT"**.
8. I have participated in world's first Logic & Coding Championship held by WhiteHat Jr.
9. I successfully completed The quickstart guide to YouTube by YouTube Creators Academy.
10. I have successfully completed 20 activities at Hour of Code.
11. I successfully completed Ganga Quest 2020 by Namami Gange to raise awareness on Ganga river.

12. Successfully Completed Google Interland awareness lessons.
13. Successfully Completed Grasshopper coding program.
14. I have participated in Discovery Super League 2020-21 quiz held by Discovery and BYJU'S.
15. Completed Simplilearn SkillUp course **"Introduction to Artificial Intelligence"**.
16. Completed 3 days certified Beginner's Camp by AISC (AI student community; CBSE and Intel).
17. Completed let's learn courses on AISC .
18. Completed Microsoft Documentation Learn programs **"Build real world applications with Python"**, **"Build a real simple website using HTML, CSS and JavaScript"**, **"Set up your Python beginner development environment with Visual Studio Code"**.
19. Completed Courses on Google Developer site **"Introduction to Machine Learning Problem Framing"**.
20. Completed Khan Academy Computing course **"Intro to HTML/CSS: Making webpages"**, **"Hour of Code: webpages, "Hour of Code: Databases"**.
21. Completed **"AI Foundations: Imagine Cup Junior"** course on Microsoft Education for Educators.
22. Completed Udemy courses: **"Introduction to Augment Reality AR"**.
23. Completed **"How to Build your own Chatbot using Python? Course"** on Great Learning.
24. Completed Kaggle courses: **"Python"**.
25. Completed online **'National Level Quiz on Python Programming'** organized by Sigma Institute of Engineering, Vadodara, Gujarat.
26. Participated in **"Aryabhatta Ganit Challenge 2021"** on DIKSHA portal
